## This Evening's Musicians

### Hot Club of Spokane

Hot Club of Spokane performs HOT JAZZ, influenced by New Orleans and Paris, taking cues from jazz greats such as Django Reinhardt, Louis Prima, Louis Armstrong, and Jelly Roll Morton. Hot Club of Spokane is not a traditional gypsy jazz string ensemble as the group also welcomes an exciting array of guest musicians on lead guitar, reeds, and accordion. Such diversity allows the band to infuse as much hot New Orleans Jazz into their arrangements and performances as they do the swingin' sounds of World War II-era Paris. Visit them at [www.myspace.com/hotclubofspokane](http://www.myspace.com/hotclubofspokane).

### Michael Millham

Michael Millham is a singer/songwriter from Spokane, who also teaches guitar at Eastern Washington University. Millham, often together with his wife Keleren, is part of Sidhe, a duo whose music is self-described as "European-American fingerstyle guitar and lush vocals." Michael has both contributed to, and been profiled in, the magazine *Acoustic Guitar* and has also written for *Guitar Teacher* and *Play Guitar!* magazines. In 1999, he was one of eight recipients selected for Jim Beam Brand Worldwide's Benefiting Emerging Artists in Music grant. He is also a frequent guest on KPBX's *The Guitar Hour*.

Thank you for attending An Evening Under the Stars and taking the time to browse through our fine selection of silent auction items. The following packages are available to bid on this evening. For your convenience, your bid number is located on the back of this program. Proceeds from your winning bids help to support Spokane Public Radio stations KPBX, KSFC, and KPBZ.

NOTE: Look for the special 30th Anniversary package logo designed by Harold Balazs
