

Spokane Public Radio's Spring 2010 on-air drive begins a little over a month from now and I would like to invite you to renew your Spring contribution as a Challenge Grantor. Your loyal membership has brought great radio to the Inland Northwest for **30 years!** Without this help from contributors like you, public radio could not be here.

Challenge grants provide an important incentive to listeners to make that all-important pledge, particularly those listeners who have never pledged to public radio. Your challenge grant support provides significant leverage in our ability to reach the drive's hourly goals.

Please take a moment and become a Challenge Grantor for the Spring 2010 on-air drive. Simply print this form, list which program you want your challenge applied to, indicate whether you want to be identified or remain anonymous, and mail the form to the Membership Department at:

Spokane Public Radio
2319 N Monroe St
Spokane, WA 99205

Or you can pledge online at www.kpbx.org ;
please put "Challenge" in the comment section.

If you have any questions, I can be reached at 328-5729,
1-800-328-5729 or by email at lstowe@kpbx.org.

Thank you,
Linda K. Stowe
Business Manager and Membership Director

P.S. You will be entered into all the Membership Drawings. Become a Challenge Grantor by **April 1st** and be entered into an **additional drawing for a pair of tickets and Rehearsal Pass to the upcoming Spokane performance of *A Prairie Home Companion* with Garrison Keillor!**
